

The Peaceful Schools Institute™ is more than a training!

What a wonderful experience! I would recommend this program to any educator, parent group or school. Christa is so immersed in this program that it is a “way of life.” She freely shared her beliefs and strategies. It’s contagious!!

~ Donna R., Kindergarten teacher

This was the most beautifully crafted workshop that I have ever attended. I wish it was weekly!

~ Mary R., 8th grade teacher

I have never attended a workshop that has left me as energized as The Peaceful Schools Institute! Our instructor empowered us as facilitators of peace within ourselves, the classroom and the school community.

Christa’s energy and enthusiasm and knowledge were most enjoyable and helpful in her mission to help us as educators create peace in our schools. Loved it!! It was all so valuable. Christa was a terrific and dynamic presenter.

This was a wonderful program! I never thought I’d feel excited to go back to school a week after school got out so I can try implementing these new ideas.

~ Theresa C., 1st grade teacher

Christa has this “sixth sense” about her. The knowledge she imparted was truly grounded in the heart and inspired by her vast wisdom. It was wonderful, and a privilege, to be a part of this Institute.

~ Kellianne M., elementary school teacher

This was the best workshop I have ever taken. I loved all the modeling that was done, and the specific ideas and materials I can use right away with students! It made me more aware of the importance of the social atmosphere of the classroom.

~ Maureen R., Math 5-8th grade teacher

The Institute was wonderful. We received much useful information, and also the chance to practice the ideas. Christa is so well-informed and presents in a manner that is conducive to wanting to implement her suggestions.

~ Angela R., Principal

It was an excellent three days! I found it to be the most practical and effective seminar I’ve ever attended. Our time together was really special!

~ Kathleen N., 7th grade teacher

Christa was engaging, organized, and presented us with a plethora of ideas to take back to our schools and classrooms. The 3 days went by so fast! The best workshop I’ve done in ages! I can’t wait to get back to school in September to implement the strategies.

~ Kathleen C., Kindergarten teacher

Not only did I enjoy the Institute, I felt it was worth every minute of my time and will also greatly benefit my students.

Every school needs this program! One of the best courses I’ve ever taken!
